

MANITOBA TRAPPERS ASSOCIATION

March 16, 2020

Dear valued members,

In light of recent development of the spread of COVID-19 to Manitoba, the WHO's proclamation of the virus as a pandemic, and Manitoba Health recommending people practice social separation, the Manitoba Trappers Association Board of Directors has made the decision to err on the side of caution with respect to hosting large gatherings. As a result:

- **The Annual General Meeting and Conference scheduled for April 3 and 4, 2020 at South Beach Casino will be rescheduled.**
- If you have already registered, we will re-allocate your fees to the new date, yet to be determined.
- If you have booked your room at South Beach, just a reminder to call the Hotel (204-766-2100) to cancel your reservation.

The MTA board believe it is incumbent upon us to carefully assess all risks, and to do our part to help flatten the curve and reduce the spread of COVID-19. We've based this difficult decision on information provided by credible sources.

We will continue to monitor this situation very closely, and re-evaluate future plans based on prevailing conditions and expert advice.

Thank you for your understanding, and be well.

Yours truly,

Rob Andrushuk
MTA President
